PREPARATION FOR MRI EXAMINATION

For most studies, you may eat normally the day of the exam. If you are on medication, continue as directed by your doctor. You will be asked to leave keys, jewelry, credit cards, watches, and metallic objects outside the scan room in a locker provided for you at the center.

MRI examinations do not employ x-rays and are considered safe for most patients. If you have any questions about your eligibility for an MRI study, please call the center at (215) 464-8050. You may not be eligible for MRI if you have/are:

- | | |
|-------------------------------|-------------------|
| Metallic fragments in the eye | Cardiac Pacemaker |
| Metal heart valve | Aneurysm clips |
| Ear implants or prosthesis | Pregnant |

On the day of your examination, please bring the following:

1. Insurance card
2. Personal ID
3. MRI Prescription/Pre-Authorization
